Features

Keeping U.S. Masters Swimmers Informed and Engaged
Human interest, news, records, personalities, recipes and more. Local Masters Swimming Committess, local programs and volunteers keep U.S. Masters swimmers informed and engaged. Are you green? Find out how some are cutting waste and costs. [Read more...](#)

USMS SWIMMER Magazine: For Us, About Us, By Us
As each of us sorts through electric bills, bank statements and junk mail, we are thrilled every other month when we receive a publication for us, about us and by us. Dozens of people, weeks of planning, and hundreds of hours go into the publication that each of us so anxiously awaits. Current editor, Bill Volckening, shares the USMS publication's history and inside information about what makes the member magazine so successful. [Read more...](#)
